

Abstract title

First Author^{1,*}, Second Author², Third ...

¹ Affiliation of first author (including e-mail address)

² Affiliation of second author (including e-mail address)

Please use this template to prepare your abstract. The abstract must be written in English, and cannot exceed one page in length. The text of the abstract must be in 11-point Times New Roman font.

The abstract must contain the full name and affiliation of author(s). The author who will present the paper at the conference should be denoted by an asterisk in the author list. Please number references in square brackets, and follow the Vancouver bibliographic style available in most reference managers, and also available on Google Scholar. The bibliographic styles for articles [1] and books [2] are listed in the references section below.

An image would be welcomed (Figure 1). Up to one image may be included.

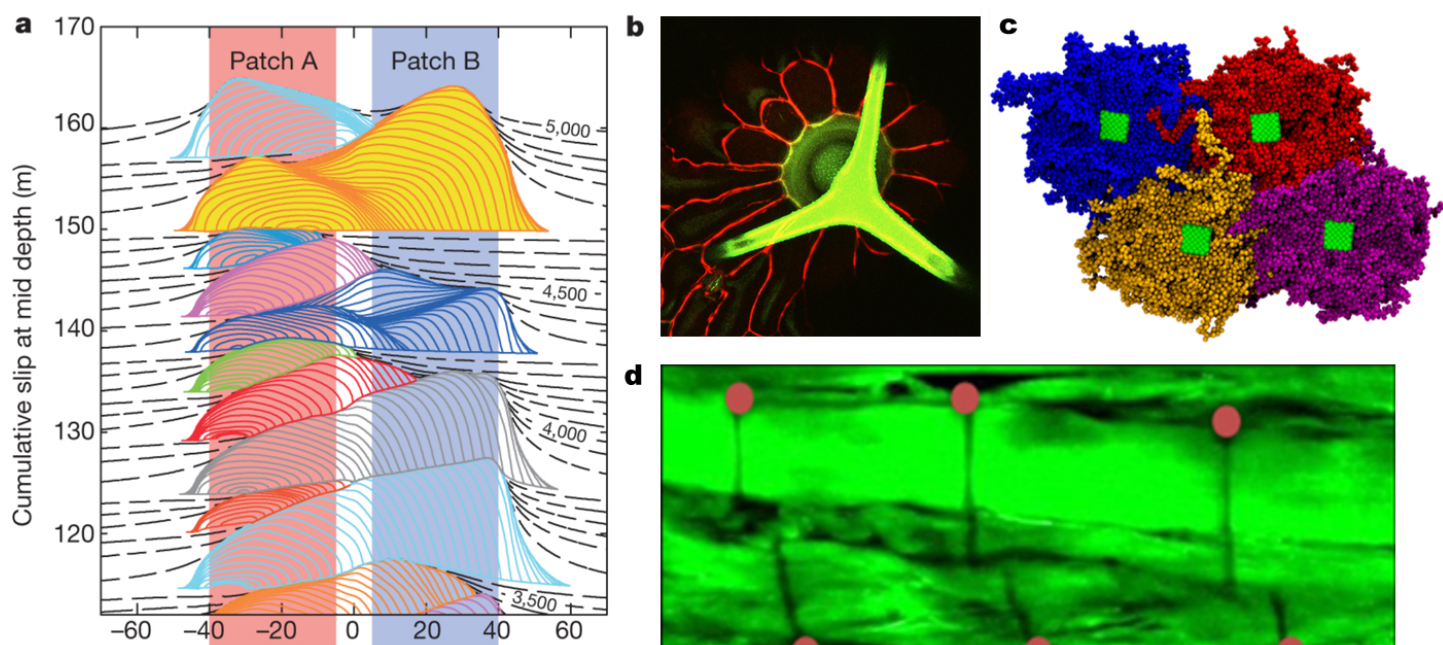

Figure 1: You may include a figure in your abstract. Please use 9-point font for the caption. Please strive for a figure that makes more sense than this one. Studies of (a) earthquake fault instability, (b) the mechano-responsiveness of trichome cells, (c) fuzzy molecular assemblages, and (d) strain mapping in soft tissues will all be found at the 2019 SES meeting at Washington University in St. Louis.

Please submit this abstract in PDF format via the conference web page (<https://ses2019.wustl.edu/>). The deadline for abstract submission is **April 30, 2019**. For any questions please contact the SES2019 organizing committee by e-mail at ses2019@wustl.edu.
